

PRIVACY POLICY

At AKESO Talent Engagement, we understand that the privacy of your personal information is important to you and so we developed this Privacy Policy to explain how we collect, use, and disclose your personal information. The nature of the recruiting business requires us to share your information with others. However, you control what information is made publicly available by only providing us with information that you want shared.

Sharing your personal information in connection with the recruiting or job application process, confirms your consent for AKESO Talent Engagement to collect that information and to use, transfer, retain and share it with third parties as specified in this policy.

Collecting Personal Information. When visiting the AKESO Talent Engagement website we may ask for certain personal information, including your name, mailing address, phone number, email address and other contact information; information related to your current and past employment, including job titles, work experience and compensation; educational background, including degrees held and institutions attended, the type of employment or job placement you are seeking; and any login ID and password created by you. AKESO Talent Engagement may send this data to AKESO Talent Engagement customers, trusted third parties, and/or agents who assist us with administering our website, managing our business, or working on our behalf to provide you with an employment opportunity. AKESO Talent Engagement will provide personal information when required by law.

Cookies. Cookies or other technology may automatically collect information from this website to the hard drive of your computer for record keeping purposes. A cookie is a small amount of data that is sent to and stored on your computer or mobile device by a website that you visit. Cookies or similar technology can make the Internet more useful by storing information about your preferences on a particular site. The use of cookies or similar technology is an industry standard, and many major websites use them to provide features that users find useful. Cookies identify a user's computer, but do not personally identify users. The Internet browser on your computer or mobile device is most likely set up to accept cookies automatically. If you would like to restrict or disable this feature you may do so by adjusting the options or preferences in your browser. However, by doing so, you may not be able to register, login or make full use of the Service.

Security. AKESO Talent Engagement takes reasonable security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of information. We restrict access to personal information to our employees, contractors and agents who need to know that information in order to process it on our behalf.

These individuals are bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution, if they fail to meet these obligations.

Protecting Children. AKESO Talent Engagement website is not intentionally designed for or directed at children under the age of 13. AKESO Talent Engagement does not knowingly collect or maintain personal information from children under the age of 13 at our Site.

Changes to this Policy

AKESO Talent Engagement reserves the right to make changes to this Website Privacy Policy from time to time. We will put an "Updated" note on the link to the Privacy Policy on the website's home page so that you will be able to check regarding changes which may be of particular relevance to you.

Questions and Comments
